English

psychedelic platformer steam. psychedelic platformer. psychedelic platformer. psychedelic platformer game. psychedelic platformer steam. psychedelic platformer game

This game is dreadfully boring, not even a good time waster. There's very little to it and what is there isn't impressive at all. Even the hard mode is very slow, and overall it plays out like a extremely low rent version of Geometry Dash.. This game is dreadfully boring, not even a good time waster. There's very little to it and what is there isn't impressive at all. Even the hard mode is very slow, and overall it plays out like a extremely low rent version of Geometry Dash.
